ABOUT THE PROJECT

How is this possible?

Our project is funded through the Green Jobs Innovation Fund grant from the U.S. Department of Labor and is a part of the Jobs for the Future Greenways Initiative which funds training projects in Boston, Chicago, Detroit, Milwaukee, Seattle, Washington, D.C., and Philadelphia.

Is this training industry-recognized?

All courses meet the standards of the *North American Board of Certified Energy Practitioners* (NABSEP) and is provided through partnership with Infinite Solar, an Interstate Renewable Energy Council (IREC) accredited school, licensed by the Pennsylvania Department of Education.
